Searching Exported Form Data

The screenshot shows a Microsoft Excel window titled "Job_Application-export-2008-03-27". The spreadsheet contains a list of job applications with columns for date, time, application type, status, location, position, preferred days, high school address, work history, credential, previously zip, and disciplinary action. A "Find" dialog box is open, showing the search term "sandra". The search options are set to "By Rows" and "Formulas". The search results are highlighted in the spreadsheet, showing rows 11 through 34.

Row	Date	Time	Application	Status	Location	Position	Preferred Days	High School Address	Work History	Credential	Previously Zip	Disciplinary	Action
